FIRELANDS FORWARD: A WORKFORCE INITIATIVE OF THE FIRELANDS PARTNERSHIP

As Firelands Forward seeks to understand the labor market challenges and opportunities in Northcentral Ohio, connecting with local businesses, small and large, is of utmost importance.

To help Firelands Partnership, our members are being asked to be part of a Focus Group. Some Huron County businesses are being invited to join us as well. The Focus Group session will be held during dinner.

After dinner, you will learn what trends their team is uncovering, potential solutions being brought to the region, and most importantly, provide additional feedback as to what tools and resources would be of greatest assistance to your family and business.
